

Dear Contributor / Potential Contributor:

The New York City Fire Department Bravest Football Club is beginning its preparation for the 2019 spring semi-pro football season. Whether you have supported us for many years, for only a few years or if this may be your first year contributing to this great organization, we want to thank you ALL! Your support of our journal helps us run the team and raise money for many great causes. The charities we support include:

- UFA Thomas Elsasser Fund – Established in 1992 to support the families of NYC Firefighters who died Non-Line of Duty as active members of the FDNY. Visit their website at <http://www.ufanyc.org/funds/elsasser.php>
- FDNY Fire Family Transport Foundation – The central focus of the Fire Family Transport Foundation is assisting the families of firefighters in their times of greatest need, in transporting firefighters, family members and department personnel to and from medical institutions both for care and family support. Visit their website at <http://www.firefamilytransport.org/>

The Bravest Football Club is a full contact tackle football team made up of New York City Firefighters and Emergency Medical Personnel. The team plays in the highly competitive National Public Safety Football League (NPSFL). The League is comprised of twenty-one football teams located throughout the United States made up exclusively of full-time, career law enforcement officers, firefighters and emergency medical personnel. The mission of the NPSFL is to promote the ideals of good sportsmanship and charitable giving through fierce athletic competition.

With the help of our contributors we were able to support our local charities once again last year. During our forty-four year history we have donated hundreds of thousands of dollars to our charities. It is only with your support that we are able to do this. This is where you, our 12th man, and most important player, have a vital role in our continued success. If you are a past contributor, we appreciate your generosity and hope that we can count on you again this year. If you are a new donor, we appreciate any donation you can make through the purchase of advertising space in the 2016 team journal. Purchasing ad space in the team program represents a good advertising opportunity for your business as each spectator to the annual FDNY/NYPD Fun City Bowl receives a program free of charge.

It is our goal to have all donations and advertisements completed by May 9th. With your help, I am confident that the Bravest Football Club will be able to continue its winning ways throughout the upcoming season.

Respectfully yours,
Firefighter John Mooney
